## President's Corner

Dear SMSHE Members,

I hope all is well and that your summer is shaping up to be your best ever! I am writing this Newsletter to give you some updates on SMSHE and ASHE. This year, so far, our educational events have been conducted exclusively in person and very well attended. I would like to thank all our members and guests for taking the time out of their busy schedules to re-engage our industry in these networking and educational opportunities. I would also like to thank our sponsors and educational meeting presenters for bringing these great opportunities to our members.

I am also extremely excited to inform you that our membership rolls have almost returned to the pre-Covid levels.

I would like to also take this opportunity to make you aware that Dave Boehne, the Awards Committee Chair, has stepped down from his position on the Board. Thank you Dave, for your years of service to our members and Board of Directors. Dave excelled in this position, and we have received the ASHE Platinum level award every year that he has served as the Chair of the Awards Committee. Again, thank you Dave for the work you have performed. We wish you the best on your next endeavors!

With Dave stepping down, we would like to offer this Board position to our membership. Please see below on how to apply for this position and the basic requirements needed to apply. Currently, there are two Professional level positions open, and one Associate level position open. See below for more information regarding these openings and how to apply.

ASHE, just as in previous years, provided our chapter members with great educational opportunities. These opportunities are great because they provide CEUs for participants and are online based. SMSHE will continue to send these opportunities to you through your email, so keep an eye out for them. In addition, ASHE will be hosting their annual conference this year in San Antonio, Texas. I hope to see you in San Antonio this year! Please see below for more details pertaining to the conference. We are looking forward to an exciting year of events.

Your SMSHE President,  
Stanley Browning  
Saint Joseph Mercy Oakland

## Call for Presentations

We are constantly looking for fresh material for presentations at our monthly educational meetings. If you have a code/compliance related presentation or you have developed proven best practices that push the leading edge of the profession, we want to hear from you! Presentations should be roughly 45-60 minutes long and must be generic as far as branding (NO COMMERCIALS!).

Contact [Liz Lyon](#) for more information.

## Supporting SMSHE!

The SMSHE board needs your help! We're constantly looking for ways to improve the experience for our members, provide more meaningful content, and help our membership grow and develop in their career tracks.

We have several openings available to help the organization grow and serve better, reach out to us to get involved or for further information.
